INTRODUCTION

As I prepare this booklet, I know there are those who will call me narrow minded, mean spirited, unloving, and uncaring.

You have a perfect right to do so.

However, I cannot forget the love Christ had for humanity as He shed His blood and died on the cross for the sins of mankind. (John 3:16 1 John 4:10)

Not only did He die on the cross for our sins, being God in the flesh, He rose from the grave and reigns eternal as King of Kings and Lord of Lords.

Because He is who He is, He does not need our protection. He is mighty enough and powerful enough to defend Himself.

We also know He is our protector and defender. Without His divine love and protection we are helpless.

Nevertheless, we are told to defend our faith and position. (ref. Jude 3)

Therein lies the reason for this booklet. Because we love the Lord, His church, our family, and our country, we have a right to defend ourselves against those who would like to remove any reference to Almighty God from our society.

Some things in the world just do not naturally go together. A left hand glove does not fit the right hand, and the right hand glove does not fit the left hand. The left shoe was not designed for the right foot.

Two things that do not go together are good and bad morals. They do not, and should not go together.

Morals are a harvest of how we think, and how we act. If the seed is morally good, then the harvest will be good morals. The same holds true with bad morals. If the seed is bad, so is the harvest.

Here are two more things that do not go together; one is logic, and the other is a puppet.

Does that sound strange to you? You say, why would anyone compare logic with a puppet?

That is exactly our point; A puppet has no logic. A puppet, after all, is only a puppet.

Websters Dictionary defines logic as: correct reasoning dealing with the criteria of valid thought. Necessary connection or outcome, as of events. Also the art of word, speech, or thought.

So then logic is; correct reasoning of valid thought, which is revealed through the art of word, speech, or thought.

Websters Dictionary defines puppet as; a small figure or doll, which can be moved by hands or strings. Also a person whose ideas or actions are controlled by another.

Therefore, a puppet is a doll or a person, that is controlled by another. A puppet does not have logic and cannot think for itself.

Likewise, a person who does not think for their self, and is being controlled by someone else, is a puppet, and is not using their own logic.

We see then why a puppet and logic do not go together. A puppet has no logic

Notice also, if you will, that part of the

definition of logic states, “necessary connection as of outcome of events.”

To think logically will have an impact on what happens in the future. Think ahead! What will the outcome be?

God gave man the ability to think for himself. If he does not, he is not thinking logically. If we allow other people or organizations to think for us, we are not thinking logically.

Sound logical?

Here are two more things that do not go together; God and corrupt morals. God is perfectly righteous. There is no corruption with God.

God is also perfectly logical. Thinking like God is perfectly logical. God says that murder, pornography, homosexuality, covetousness, and so on, are morally wrong and corrupt.

They do not fit with God's logic. They do not go together. If God is against corrupt morals, we should be against corrupt morals.

Unless we are puppets, we should be able to think and act for ourselves, logically.

SCRIPTURE: Matthew 12:33-37 Either make the tree good, and it's fruit good, or else make the tree corrupt, and it's fruit corrupt, for the tree is known by it's fruit.

O generation of vipers, how can ye, being evil, speak good things? For out of the abundance of the heart the mouth speaketh.

A good man out of the good treasure of the heart bringeth forth good things, an evil man out of the evil treasure bringeth forth evil things.

But I say unto you that every idle word that men shall speak, they shall give account of it in the day of judgment.

For by thy words thou shalt be justified, and by thy words thou shalt be condemned.

What the Lord is saying is that our words and actions reveal who we really are and how we really think.

Whether we are saved or lost, our actions and words will be judged. If we are saved, we all lose rewards if our actions are corrupt.

If the person is lost, they will suffer a more

harsh degree of punishment in eternal fire.

A treasure is what someone holds dear. Good treasure is good morals. Bad treasure is bad morals. What we are is what we hold dear to our hearts, either good or bad morals. Corrupt or not corrupt.

Anyone who condones corruptness and immorality, must therefore be corrupt and immoral, because moral and immoral do not go together. They do not fit!

That sounds logical to me!!

ACCOUNTABLE

“....they shall give account of it in the day of judgment. For by thy words thou shall be justified, and by thy words thou shall be condemned.”

There are two judgments waiting. One is for those who have trusted Christ as Savior. The Bible calls them children of God. The saved child of God will stand at the judgment seat of Christ and give account of themselves.

(ref. Romans 14:8-12 2 Corinthians 6:8-10)

The lost, those who have not trusted Christ as Savior will stand at the Great White Throne judgment, and give account of themselves. (ref. Revelation 20:10-16)

We are all held accountable.

Everyone is judged according to the fruit they produce in this life. Whether the fruit is good or bad.

Therefore, we should make proper moral judgments as we live. These judgments should be founded on the Word of God.

God does not expect us to be puppets, and wants us to think logically and morally, according to His Word.

A.C.L.U.

There is an element, or organization, in this country that claims to be a defender of my rights as an American citizen.

That organization is called the American Civil Liberties Union.

In This short booklet we intend to examine this immoral and corrupt organization, according to God's Word, and expose them for what they really are

The A.C.L.U. is not American, nor is it civil, neither does it promote liberty, but it is a union.

The A.C.L.U. is a union of Socialist, and socialism is Communism, and Communism is an Anti-Christ ideology, and un-American.

On the surface the A.C.L.U. seems innocent enough, and even sincere. In some cases, it has done what it claims to do, defend civil rights.

However, when we examine the foundation and beliefs of this organization, we believe you will see, they are a puppet, and Satan is pulling the strings.

Personally, I am offended by the A.C.L.U. and it's many supporters who claim to defend my rights.

Satan and his ministers do not defend my rights. They would rather take away my rights as a child of Christ.

THE A.C.L.U. IT'S FOUNDATION

The A.C.L.U. began as a tax exempt organization, founded in 1920 in New York City.

9

Those who organized the movement were a group of pacifists and liberals, determined to defend the rights of conscientious objectors during World War 1.

(A conscientious objector is one who is against war and often refuses to serve in the armed services. A draft dodger.)

Those who founded the A.C.L.U. were pacifist, or socialist, or, as in most cases, both.

The only exception would possibly be Helen Keller, who may have been misled into her role as a leader.

Today they boast a membership of upwards of 250,000 members, with officers in every state.

We will not take time and space to go into every detail of the A.C.L.U.

We only need to view the foundation to see that it is anti-American and anti-God.

The concept of civil rights is valid. Every American citizen has certain rights according to the Constitution.

10

We will all agree these rights should be upheld.

There are also many members of the A.C.L.U. who are honorable and have honorable intentions.

However, the A.C.L.U. has overstepped it's bounds as the self proclaimed hero of the American people. They have abused my rights as an American citizen, and have offended me as an American Christian, and have abused the rights of millions of Americans as well.

As we pull back the blanket of deceit the A.C.L.U. hides beneath, we will uncover an immoral monster, pretending to be asleep.

We will take this opportunity to take a brief look at just three of the founders of the A.C.L.U.

Morris Hilquit: A socialist. He wrote a book entitled ...Socialism Summed Up .. He was a socialist.

Norman Thomas: A socialist and a Communist. A writer of socialist material.

11

He was a six time socialist party candidate for the presidency of the United States. He was also nominated for Governor of the state of New York on the socialist party ticket.

He was a socialist and a Communist.

Roger Baldwin: The first executive director of the A.C.L.U., and probably the most influential. In 1918 he was arrested as a conscientious objector and sentenced to one year in prison. In 1927 his interest in socialism and communism took him to Russia.

Among the many books he wrote about socialism was one entitled Liberty Under the Soviets. He was a socialist and a communist.

So the very foundation of the A.C.L.U. is socialism and socialism is another name for communism.

When we think of communism we think of Russia, and rightfully so. Russia is a

communist country. The name Russia has chosen for itself is (The Union of Soviet Socialist Republic)

The foundation of the A.C.L.U. is communism.

12

You will notice two of the words Russia has chosen to use are Union and Socialist.

Roger Baldwin, was a socialist and a communist, and one of the founders of the A.C.L.U.

The A.C.L.U. is a union of Soviet Socialist.

NOTE: It seems strange to this writer that an organization that refuses to defend it's country could claim to promote liberty and be patriotic. Does that sound logical?

Socialism is founded on the writings of Carl Marx, and is known throughout the world as the Communist Manifesto.

His theory would be adopted by Nikolai Lenin as Communist doctrine of Russia, and it would be developed by Lenin as the governmental practice in the Soviet Union.

Hitler would also adopt the teachings of the Communist Manifesto into Nazism.

Roger Baldwin, Morris Hilquit, and Norman Thomas, three of the founders of the A.C.L.U. were socialist.

13

After many years of running for public office under the banner of the socialist, the socialist ran under another party name and got elected. Now they call themselves Democrat and Republican.

Someone will always say, so what, what difference does it make? It makes a lot of difference. The A.C.L.U. is founded on socialism and socialism is anti-Christ.

In the following few pages we would like to present what the A.C.L.U. stands for, and compare that with what God has to say.

It will be necessary to be brief, yet informative, without being boring.

Space permitting we will give a brief history of the actions and beliefs of this un-American organization.

The following are just three of the points promoted by the Communist Manifesto

- 1 Abolition of private property in land and application of all rents of lands to public purposes.

14

- 2 A heavy progressive or graduated income tax.
- 3 The abolition of all rights of inheritance.

Communism does not believe in the private ownership of property. They believe the government should own all property and control of transportation.

That is Communism and Socialism, and the A.C.L.U. is founded on Socialism.

SCRIPTURE: Proverbs 3:9,10 Honor the LORD with thy substance, and with the first-fruits of all thine increase;

So shall thy barns be filled with plenty, and thy presses shall burst out with new wine.

SCRIPTURE: Psalm 112:1-3 praise ye the LORD, Blessed is the man who feareth the

LORD, who delighteth greatly in his commandments.

His seed shall be mighty upon the earth; the generation of the upright shall be blessed.

Wealth and riches shall be in his house, and his righteousness endureth forever.

15

God says that a man should have his own house and his own barn.

If that man honors the LORD, and delights in his commandments, his barn shall be full, and wealth and riches shall be in his house.

Communism believes in the abolition of private property, heavy graduated taxes, and the abolition of all rights of inheritance.

The Lord believes in free enterprise. The American way is free enterprise. Communism is socialism and socialism is not free enterprise.

The A.C.L.U. was founded with the distinct aim of slowly eroding at the foundation of everything the United States of America stands for.

Then aims to eliminate God and Christ from our vocabulary, our society, and from our family.

SCRIPTURE: Psalm 2:1-3 Why do the heathen rage, and the peoples imagine a vain thing?

The kings of the earth set themselves, and the rulers take counsel together, against the

16

LORD, saying,

Let us break their bands asunder, and cast away their cords from us.

The A.C.L.U., along with many others, have taken counsel together against the Lord.

We also see that they would like to break the bands and cast away their (The Father, the Son and the Holy Spirit) cords from us,

In other words, they would like to break all ties with God.

In the January 1991 issue of the Journal of The American Family Association, was the following list of the things the A.C.L.U.

would like to make legal.

They would like to legalize:

1. Child pornography
2. Legalization of drugs.
3. Tax exemption for satanists
4. Legalization of prostitution.
5. Abortion on demand.
6. Mandatory sex education
7. Forced busing

17

8. Ideological testing for court appointees and legalizing polygamy

The A.C.L.U. opposes.

1. Voluntary school prayer
2. Sobriety checkpoints
3. Tax exemption for churches
4. Educational vouchers and home schooling
5. Parental consent laws
6. Medical safety regulations and reporting
7. Governmental ethics committees
8. Prison terms for criminal offenses

9. Teaching of proper sexual relationship within the marriage in public schools

It should be easy to see that the goal of the A.C.L.U. is break the cords of God by tearing down the moral structure of the United States.

Without a moral foundation there are no rules, no guidelines, and division. Division within the family, within society, within government, and so on.

A society is judged by its morals. We must have guidelines to follow.

18

Parents, teachers, and politicians must have moral guidelines to follow.

When left to his own social guidelines, a child may not follow the path of a moral society.

The A.C.L.U. has struck a blow to our moral fiber, yet, they have not won the battle.

The reason is, Jesus Christ is still God, and He is still King of Kings, and He is still in charge, and always will be.

The A.C.L.U. would like to "legalize" everything God is against, and they oppose everything God stands for.

EXAMPLES

Since it's beginning in the 1920's it has been very busy. Their claim is to defend the Constitution. Two of the areas they claim to defend are freedom of speech and freedom of religion. (they call it separation of church and state)

The Roger Baldwin Foundation, founded in 1966, as a tax exempt arm of the A.C.L.U....

19

has undertaken the role of "educating," education.

They are also involved in the prisoners rights movement. Because of that, criminals go free to rape, steal, and murder, and will. (ref. Readers Digest March 1993 November 1992 April 1993)

Whenever, and wherever, any reference to Christ and God are displayed in a public

place, the A.C.L.U. has been there to see it is removed.

They have been instrumental in removing prayer schools, and courtrooms, and any public place.

In a letter sent to the New York Area Public School superintendents, dated April 13, 1994, Merrilee Witherall, Executive Director of the New York chapter, warned them to remove any religious content from your graduation ceremony.

Because of the A.C.L.U the Supreme Court has ruled school prayer is unconstitutional.

They have also banned the ten commandments from every public place., where it is visible, and ruled they are a

20

violation of the Constitution. (ref. November 1992 Readers Digest)

One of the most recent spokesman and staunch advocates for the A.C.L.U. is a man by the name of Barry Lynn.

Mr. Lynn claims to be a minister in a large denomination, and claims to be a defender of my rights as an American citizen.

However, through the continued efforts of the A.C.L.U. and the leadership of Barry Lynn the A.C.L.U. is gaining momentum.

Mr. Lynn has been instrumental in court decisions that have removed the ten commandments from school house walls and other places.

Scripture Psalm 112:1... Blessed is the man who feareth the LORD, who delighteth greatly in his commandments.

Barry Lynn does not delight in God's commandments.

Personally, this writer believes Barry Lynn is a minister, and we have a quote from the Bible to prove.

21

Scripture 1 Corinthians 11:13-15 For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

And no marvel; for Satan himself is transformed into an angel of light.

Therefore, it is no great thing if his ministers also be transformed as the

ministers of righteousness, whose end shall be according to their works.

Mr. Lynn, in this writers opinion, is a minister of, and a puppet of Satan.

The A.C.L.U. under the guise of defending your rights of free speech, and separation of church and state, are in the process of eliminating your rights to worship Christ freely.

If they really believed in separation of church and state, why do they use the state , (Supreme Court) to ban all references to the God of the Bible from society?

Sad to say, it even seems as though the Cross offends this group of God hating socialist.

They have succeeded in removing the symbol

22

of the Cross from any public display.

In hundreds of cases throughout the U.S., when a young Christian has been harassed , and punished, for carrying or reading a Bible in school, the A.C.L.U. defends the school, not the Christian.

or freedom of speech?

Hundreds of clubs meet in school buildings all over the United States. Bible oriented clubs are often not allowed to meet in public schools because of “separation of church and state.”

That sounds more like separation of church from the state.

SCRIPTURE: 1 John 2:22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist that dnieth the Father and the Son.

Not only do we feel the A.C.L.U. and Barry Lynn, and their many associates, deny Jesus is the Christ, and they deny the Father and the Son, they deny anyone else the right to believe in the Father and the Son.

23

Just recently, in a school east of Cleveland, a first grader, wearing a tee shirt he was proud of, was told to wear it inside out for the remainder of the day.

teacher because it read, "W.W.J.D." What would Jesus do?

This incident, and many like it, were brought about by the efforts of the A.C.L.U.

It should be logical to any intelligent person, that any organization founded by socialism, is out to destroy this country, and Christianity.

Consider the World Council of Churches (W.C.C.). Founded in 1948 in an attempt to bring about Christian unity, has already been infiltrated by the K.G.B. (Feb. 1993 Readers Digest)

Why? In an attempt to destroy Christianity and bring about the fall of the U.S.

Marxism is Socialism and Socialism is Communism and Communism is an anti-Christ ideology.

stands for and would like to make legal, we will focus on just one.

That is child pornography. They do not claim to disagree with child pornography, they just claim to defend the right of anyone engaged in the vile act.

However, as we have already stated, whatever I condone must be what I am.

How can anyone condone, or approve of, something, if they are against it?

Does that sound logical? Not if you're a puppet!

The word used in the Bible to describe indecent acts is fornication. It is translated from four Greek words , all having the same meaning.

1. Porneia (πορνεία) = Illicit sexual intercourse, including adultery, and in some cases it refers to idolatry.

2. Pornos (πορνός) a fornicator, one who indulges in fornication.
3. Porneuo (πορνέω) = to commit fornication.
4. Ekporneuo (εκπορνέω) to give oneself up to fornication, implying excessive indulgence.

There are two basic words used here to describe fornication. One is porneia, which describe the act, the other three describe the person who commits the act.

The word graphic, according to the dictionary, is defined as, illustrating by diagrams, curves, or pictures; and vividly described and lifelike.

Therefore, pornography is illicit sex acts in vivid lifelike pictures, and fornication is detailed pictures.

The A.C.L.U. would like to legalize child pornography.

SCRIPTURE: Mark 7:20-23 And he said; That which cometh out of a man, that defileth a man.

*For from within, out of the heart of men,
proceed evil thoughts, adulteries,
fornications, murders,*

*Thefts, covetousness, wickedness, deceit,
lasciviousness, an evil eye, blasphemy,
pride, foolishness,*

*All these things come from within, and
defile the man.*

Jesus Christ said, “All these evil things
come from within, and defile the Man.”
Including fornication.

Now someone will say , ‘the A.C.L.U.
does not indulge in child pornography, they
just defend the rights of those who do.’

We expect to hear those ridiculous
comments. If you defend someone who
does those things, then you condone it, and
you must approve it, and that is evil.

Throughout the world thousands of
children come up missing each year. They
are sodomized, sold into slavery, used by
pedophiles, used in the making of child
pornography, and even murdered by the sick
minds the A.C.L.U. protects.

Logically, would Jesus Christ the Lord approve of such actions?

SCRIPTURE: Mark 10:13-16 And they brought young children to him, that he should touch them, and his disciples rebuked those that brought them.

But when Jesus saw it, he was much displeased, and said unto them, Suffer the little children to come unto me, forbid them not; for of such is the kingdom of God.

Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter into it.

And he took them up in his arms, put his hands on them, and blessed them.

Jesus was displeased with the disciples when he learned they tried to hinder the little children from coming to him.

He said, “Suffer (permit) the little children to come unto me, and forbid them not.”

Children are special to the Lord because they are innocent and humble.

NOTE: Also, no one enters the kingdom of God unless they are as children.

In Mark chapter 7 we saw all the evil things that defile a man. Christ said they come from within. In other words, a man's actions usually indicates what is in a man's heart.

In Matthew chapter twelve we saw the same thing. The good fruit and the corrupt fruit.

These come from the abundance of the heart. "All these evil things come from within and defile the man."

A little child does not give their consent when they are abused by their parents or another relative.

A child does give their consent when they abducted and used to produce pornography, or sold to some pervert as a sex slave.

A child begins their life in humility and innocence. An adult has no right to defile that child's innocence.

The A.C.L.U. thinks they do!

Imagine the abuse a child endures from anyone who has control over them, who happens to have a perverted mind.

A person may actually purchase material, including pictures, movies, and so on, where children are used for perverted sex acts.

This material is produced and used by sick minds, and the child has nothing to say about it.

SCRIPTURE: Deuteronomy 6:6,7 And these words, which I command thee this day, shall be in thine heart;

And thou shall teach them diligently to thy children, and shall talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

God was talking to the nation of Israel, and the same holds true today, “I command you this day.” It was not a request, it was a commandment.

His word should be in the heart day and night, and should be taught ‘diligently to our children.’

When children are used and abused in this manner, they will generally grow up believing there is no God, or wondering,....

30

if there is a God, why did He allow this to happen to me? The child may grow up rejecting God, or blaming God and their parents for rejecting or abandoning them.

They will no doubt grow up believing they have a right to do as they please because someone did that to him or her as a child.

They will no doubt be overwhelmed with guilt because of the acts they were forced to engage in, blaming themselves.

These unfortunate children may have memories of their childhood and their parents, and wonder why they were abandoned.

They will probably be forced into drugs, and becoming addicted, will be at the mercy of their captors.

These wicked people have kept the child from the knowledge of God by withholding the word of God.

Gods word will not be taught diligently to these children.

They have succeeded in taking away their childhood innocence, humility, the love of their parents, and the knowledge of Christ.

31

Even more so, by withholding the word of God, they have removed the thought of God's morals as taught in the Bible.

Make no mistake about it, the A.C.L.U. knows exactly what they are doing. Their goal is to remove God from our society, and you begin with the children.

Our children are our future. They will be the adults who run the country in the future.

Therefore, the attack by the A.C.L.U. and the American Marxist's, on schools and public institutions.

By removing the Ten Commandments, and any other reference to God from our society, they have succeeded in part, in their endeavor.

If we think logically, it should be easy to see why the A.C.L.U. would like to legalize tax exemption for satanic churches, and why

they even acknowledge and support these abominations.

Whatever we condone, that's what we are,

32

SCRIPTURE: 1 Corinthians 15:33 Be not deceived, evil communications (company) corrupts good manners. (morals)

The A.C.L.U. is evil. They keep evil company and promote evil communications.

They corrupt good morals and produce evil manners, which is evil in thought and deed.

Unfortunately most of our society is deceived. The A.C.L.U. is nothing more than a puppet and Satan is pulling the strings.

A puppet has no logic and cannot think for itself. If our thoughts are not in line with the thinking of God, they are not logical, and are not moral

WHAT DO WE DO?

1. Pray to the Lord to deal with them.
2. Defend our position in Christ.
3. Teach our children God's moral values.

4. Spread the simple gospel.
5. Trust in the power of God.
6. Wait on the Lord.

SOUND LOGICAL?

33

SUPPLEMENT

This booklet was originally written and printed in 1996/1997.

As it is being reprinted today, the American Marxist and the A.C.L.U. have succeeded in their goals. (August 2022)

They have infiltrated our schools and our government.

Children are taught the transgender movement. They are taught they can be whatever gender they want to be.

They are taught that all white people are racist.

The world is creating division in society. Our Government has been infiltrated by the Marxist agenda.

Judgment goes forth perverted. The criminal is set free to rape, steal, and murder at will. While the innocent citizen is considered the criminal. (see Isaiah 5:20-23 and Habakkuk 1:1-4)
