LOGIC AND PUPPETS

Some things in this world just do not naturally go together. A left hand glove does not fit the right hand, and the right hand glove does not fit the left. The left shoe was not designed for the right foot.

Two things that do not go together are good and bad morals. They do not, and should not go together.

Morals are a harvest of how we think, and how we act. If the seed is morally good, then the harvest will be good morals.

The same holds true with bad morals. If the seed is bad, so is the harvest.

Here are two more things that do not go together: One is logic, and the other is a puppet.

Does that sound strange to you? You say, why would anyone compare logic with a puppet?

That is exactly our point. A puppet has no logic. A puppet, after all, is only a puppet.

Websters Dictionary defines logic as: correct reasoning dealing with the criteria of valid thought. Necessary connection or outcome, as of events. Also the art of word, speech, or thought.

So then logic is: Correct reasoning of valid thought, which is revealed through the art of word, speech, or thought.

Websters Dictionary defines puppet as: a small figure or doll, which can be moved by hands or strings. Also a person whose ideas or actions are controlled by another.

If we think logically, it should be easy to see why the A.C.L.U. would like to legalize tax exemption for the satanic churches, and why they even acknowledge these abominations.

SCRIPTURE: *1 Corinthians 15:33 Be not deceived; evil communications (company) corrupts good manners (morals).*

The A.C.L.U. is evil. They keep evil company and promote evil communications.

They corrupt good morals and produce evil manners which is evil in thought and deed.

Unfortunately, most of our society is deceived. The A.C.L.U. is nothing more than a puppet and Satan is pulling the strings.

A puppet has no logic and cannot think for itself. If our thoughts are not in line with the thinking of God they are not logical, and are not moral.

WHAT DO WE DO?

1. Pray for the Lord to deal with the A.C.L.U.
2. Defend our position in Christ.
3. Teach our children God's moral values.
4. Tell as many people as we can that Christ is Savior.
5. Trust in the power of God to defend us.
6. Wait on the Lord.

SOUND LOGICAL?

These unfortunate children may have memories of their childhood and their parents, and wonder why they were abandoned.

They will probably be forced into taking drugs, and becoming addicted, will be at the mercy of their captors.

These wicked people have kept the child from the knowledge of God by withholding the word of God.

God's word will not be taught diligently to these children.

The chance of any of these children coming to know Christ as their Savior is slim.

They have not permitted the child or young person to "come to Christ."

They have succeeded in taking away their childhood innocence, humility, the love of the parents, and the knowledge of Christ.

Even more so, by withholding the word of God, they have removed the thought of God's morals as taught in the Bible.

Make no mistake about it, the A.C.L.U. knows exactly what they are doing.

Their goal is to remove God from our society, and you begin with the children.

Our children are our future. They will be the adults who run our lives in the future.

Therefore the attack by the A.C.L.U. on our schools and public institutions.

By removing the Ten Commandments and any other references to God from our environment, they have succeeded in part, in their endeavor.

Therefore, a puppet is a doll or person, that is controlled by another. A puppet does not have logic and cannot think for itself.

Likewise, a person who does not think for their self, and is being controlled by someone else, is a puppet, and is not using their own logic.

We see then why a puppet and logic do not go together. A puppet has no logic.

Notice also, if you will, that part of the definition of logic says, "A necessary connection as of outcome of events."

To think logically will have an impact on what happens in the future. Think ahead! What will the outcome be?

God gave man the ability to think for himself. If he does not, he is not thinking logically. If we allow other people or organizations to think for us, we are not thinking logically.

Sound logical?

Here are two more things that do not go together: God and corrupt morals. God is perfectly righteous. There is no corruptness with God.

God is also perfectly logical. Thinking like God is perfectly logical. God says that murder, pornography, homosexuality, covetousness, and so on, are morally wrong and corrupt.

They do not fit with God's logic. They do not go together.

If God is against corrupt morals, we should be against corrupt morals.

Unless we are puppets, we should be able to think and act for ourselves, logically.

SCRIPTURE: Matthew 12:33-37 *Either make the tree good, and it's fruit good, or else make the tree corrupt, and it's fruit corrupt; for the tree is known by it's fruit. O generation of vipers, how can ye, being evil, speak the good thing? for out of the abundance of the heart the mouth speaketh.*

A good man out of the good treasure of the heart bringeth forth good things, an evil man out of the evil treasure bringeth forth evil things.

But I say unto you that every idle word that men shall speak, they shall give account of it in the day of judgement.

For by thy words thou shalt be justified, and by thy words thou shalt be condemned.

What the Lord is saying in general is that our words and actions reveal who we really are and how we really think.

Whether we are saved or lost, our actions and words will be judged. If we are saved we will lose rewards if our actions are corrupt.

If the person is lost, they will suffer a more harsh degree of punishment in eternity.

A treasure is what someone holds dear. Good treasure is good morals. Bad treasure is bad morals.

What we are is what we hold dear to our hearts. Either good or bad morals. Corrupt or not corrupt.

Anyone who condones corruptness and immorality, must therefore be corrupt and immoral, because moral and immoral do not go together. They do not fit.

That sounds logical to me!

Imagine the abuse a child endures from anyone who has control over them, who happens to have a perverted mind.

A person may actually purchase material, including pictures, movies, and so on, where children are used for perverted sex acts.

This material is produced and used by sick minds, and the child has nothing to say about it.

SCRIPTURE: Deuteronomy 6:6,7 *And these words, which I command thee this day, shall be in thine heart. And thou shalt teach them diligently unto thy children, and shall talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.*

God was talking to the nation of Israel, and the same holds true today, "I command you this day."

It was not a request, it was a commandment.

His word should be in the heart day and night, and should be taught diligently to our children.

When children are used and abused in this manner, they will generally grow up believing there is no God, or wondering if there is a God, why did God allow this to happen to him.

The child may grow up rejecting God or blaming God and their parents for rejecting or abandoning them.

They will no doubt grow up believing they have a right to do as they please because someone did that to him or her as a child.

They will no doubt be overwhelmed with guilt because of the acts they were forced to engage in, blaming themselves.

And he took them up in his arms, put his hands upon them, and blessed them.

Jesus was displeased with his disciples when he learned they tried to hinder the little children from coming to him.

He said, "Suffer (permit) the little children to come unto me, and forbid them not."

Children are special to the Lord because they are innocent and humble.

NOTE: Christ also said that no one enters the kingdom of God unless they are as children.

In Mark chapter 7 we saw all the evil things that defile a man. Christ said they come from within. In other words, a man's actions and words indicate what is in the man's heart.

In Matthew chapter 12 we saw the same thing. The good fruit and the corrupt fruit. These come from the "abundance of the heart."

"All these evil things come from within and defile the man."

A little child does not give his consent when he is abused by his parents or another relative.

A child does not give their consent when they are abducted and used to produce pornography, or sold to some pervert as a sex slave.

A child begins their life in humility and innocence. An adult has no right to defile that child's innocence.

The A.C.L.U. thinks they do!

ACCOUNTABLE

"...they shall give account of it in the day of judgement. For by thy words thou shalt be justified, and by thy words thou shalt be condemned."

There are two judgements waiting. One is for those who have trusted Christ as Savior. The Bible calls them saved, and children of God.

The saved Christian will stand at the judgement seat of Christ and give account of himself or herself. (ref. Romans 14:8-12 11 Corinthians 5:8-10)

The lost, those who have not trusted Christ as Savior, will stand at the Great White Throne judgement, and give account of themselves. (ref. Revelation 20:10-15)

We are all held accountable.

Everyone is judged according to their fruit they produce in this life. Whether the fruit is good or bad. Therefore, we should make proper moral judgements as we live. These judgements should be founded on the Word of God.

God does not expect us to be puppets, and wants us to think logically, according to his Word.

A.C.L.U.

There is an element, or organization, in this country that claims to be a defender of my rights as an American citizen.

That organization is called The American Civil Liberties Union.

In this booklet we will examine the American Civil Liberties Union, according to God's Word, and expose them for what they really are.

This organization is not American, nor is it civil, neither does it promote liberty, but it is a union.

The A.C.L.U. is a union of Socialist, and socialism is communism, and communism is ungodly and un-American.

On the surface the A.C.L.U. seems innocent enough, and even sincere. In some cases, throughout it's relative short history, has done what it claims to do, defend civil rights.

However, when we examine the foundation and the beliefs of this organization, we believe you will see, they are a puppet, and Satan is pulling the strings.

Personally, I am offended by the A.C.L.U. and it's many supporters who claim to defend my rights.

Satan and his ministers do not defend my rights. They would rather take away my rights as a child of Christ.

THE A.C.L.U. IT'S FOUNDATION

The A.C.L.U. began as a tax exempt organization, founded in 1920 in New York City. Those who organized the movement were a group of pacifists and liberals, determined to defend the rights of conscientious objectors during World War 1.

(A conscientious objector is one who is against war and often refuses to serve in the armed services. A draft dodger.)

Thefts, covetousness, wickedness, deceit, lasciviousness, an evil eye, blasphemy, pride, foolishness. All these evil things come from within, and defile the man.

These are the words of the Lord Jesus Christ. The first two things he mentioned are adultery and fornication.

Then at the end of the list, Christ said, "all these evil things come from within, and defile the man."

Now someone will say, "the A.C.L.U. does not indulge in child pornography, they just defend the rights of those who do."

We expect to hear those ridiculous comments. If you defend someone who does these things, then you condone it, and you must approve it, and that is evil.

Throughout the world, thousands of children come up missing each year. They are sodomized, sold into slavery, used by pedophiles, used in the making of child pornography, and even murdered by the sick minds the A.C.L.U. protects.

Logically, would Jesus Christ approve of such actions?

SCRIPTURE: Mark 10:13-16 And they brought young children to him, that he should touch them; and his disciples rebuked those that brought them.

But when Jesus saw it, he was much displeased, and said unto them, Suffer the little children to come unto me, and forbid them not; for of such is the kingdom of God.

Verily I say unto you, Whosoever shall not receive the kingdom of God as a little child, he shall not enter into it.

The word used in the Bible to describe indecent acts is fornication.

It is translated from four Greek words, all having the same root meaning.

1. *Porneia* (πορνεία) = illicit sexual intercourse, including adultery, and in some cases it refers to idolatry.

2. *Pornos* (πορνοῦς) = a fornicator, a man who indulges in fornication.

3. *Porneuo* (πορνεύω) = to commit fornication

4. *Ekporneuo* (εκπορνεύω) = to give oneself up to fornication, implying excessive indulgence.

There are two basic words used here to describe fornication.

One is *porneia*, which describes the act, the other three describe the person who commits the act.

The word *graphic*, according to the dictionary, is defined as... illustrating by diagrams, curves, or pictures; and vividly described and lifelike.

Therefore, pornography is illicit sex acts in vivid lifelike pictures. Pornography is fornication in detailed pictures.

The A.C.L.U. would like to legalize child pornography.

SCRIPTURE: Mark 7:20-23 *And he said; That which cometh out of the man, that defileth the man. For from within, out of the heart of man, proceed evil thoughts, adulteries, fornications, murders,*

Those who founded the A.C.L.U. were pacifists, or socialists, or, as in most cases, both.

The only exception would possibly be Helen Keller, who may have been misled into her role as a leader.

Today they boast a membership of upwards of 250,000 members, with officers in every state.

We will not take the time and space to go into every detail of the A.C.L.U.

We only need to view the foundation to see that it is anti-American and anti-God.

It is not our desire to climb upon a soap box or enter the political arena, yet we reserve the right to defend ourselves against anyone, or any group, that may corrupt our children's morals.

The concept of civil rights is valid. Every American citizen has certain rights according to the constitution. We will all agree these rights should be upheld.

There are also many members of the A.C.L.U. who are honorable and have honorable intentions.

However, the A.C.L.U. has overstepped it's bounds as the self proclaimed hero of the American people. They have abused my rights as an American citizen, and offended me as an American christian, and have abused the rights of millions of Americans as well.

As we pull back the blanket of deceit the A.C.L.U. hides beneath, we will uncover an immoral monster, pretending to be asleep.

We will take this opportunity to take a brief look at just three of the founders of the A.C.L.U.

Morris Hilquit: A socialist. He wrote a book entitled.. Socialism Summed Up. He was a socialist.

Norman Thomas: A socialist and a communist. A writer of socialist material. He was a six time socialist party candidate for the presidency of the United States. He was also nominated for Governor of the State of New York on the socialist party ticket. He was a socialist.

Roger Baldwin: The first executive director of the A.C.L.U., and probably the most influential. In 1918 he was arrested as a conscientious objector and sentenced to one year in prison.

In 1927 his interest in socialism and communism took him to Russia.

Among the many books he wrote about socialism was one entitled.. Liberty Under the Soviets. He was a socialist and a communist.

So then the very foundation of the A.C.L.U. is socialism, and socialism is another name for communism.

When we think of communism, we think of Russia, and rightfully so. Russia is a communist country. The name Russia has chosen for itself is (The Union of Soviet Socialist Republics)

Communism is socialism and the founders of the A.C.L.U. were socialist and communist.

Just recently, in a school east of Cleveland, a first grader, wearing a tee shirt he was proud of, was told to wear it inside out for the remainder of the day.

It seems the shirt was offensive to his teacher because it read, W.W.L.D. what would Jesus do?

This incident, and many like it, were brought about by the effort of the A.C.L.U.

Anyone who does not think an organization which is founded by outside interests, is not out to destroy christianity, and the foundation of this country, is narrowminded.

Consider the World Council of Churches (W.C.C.). Founded in 1948 in an attempt to bring about christian unity, has already been infiltrated by the K.G.B. (Feb. 1983 Readers Digest)

Why? In an attempt to destroy christianity, and bring about the fall of the U.S.

THE A.C.L.U. AND PORNOGRAPHY

Among the many things the A.C.L.U. stands for and would like to make legal, we will focus on just one.

That is child pornography. They do not claim to disagree with child pornography, they just claim to defend the rights of anyone engaged in the vile act.

However, as we have already stated, whatever I condone must be what I am.

How can anyone condone or approve of something, if they are against it?

Does that sound logical? Not if your a puppet

Sad to say, it even seems as though the Cross offends this group of God hating socialists. They have attempted, and succeeded, in removing the symbol of the Cross from any public display.

They have used the court system of this nation in an attempt to ban prayer from our schools.

In hundreds of cases throughout the U.S., when a young christian has been harassed, and punished, for carrying or reading a Bible in school, the A.C.L.U. defends the school, not the christian.

Does that sound like freedom of religion, or free speech?

Hundreds of clubs meet in public school buildings all over the United States.

Bible oriented clubs are generally not allowed to meet in public schools because of, "separation of church and state."

That sounds more like separation of church from the state.

SCRIPTURE: 1 John 2:22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist that denieth the Father and the Son.

The Bible says that anyone who denies that Jesus is the Christ, and denies the Father and the Son is an antichrist.

Not only do we feel the A.C.L.U., and Barry Lynn, and their many associates deny Jesus is the Christ, and they deny the Father and the Son, they deny anyone else the right believe and worship the Father and the Son.

You will notice two words Russia has chosen to use. They are Union and Socialist.

Roger Baldwin was a socialist and a communist. He was one of the founders of the A.C.L.U. The A.C.L.U. is a union. It is a union of Soviet Socialists.

NOTE: It would seem strange to this writer that an organization that refuses to defend it's country could claim to promote liberty, and be patriotic. Does that sound logical?

Socialism is founded on the writings of Karl Marx, and is known throughout the world as The Communist Manifesto.

His theory would later be adopted by Nikolai Lenin as the Communist doctrine of Russia, and it would be developed by Lenin as the government practice in the Soviet Union.

Hitler would also adopt the teachings of the Communist Manifesto into Nazism.

Roger Baldwin, Morris Hilquit, and Norman Thomas, three of the founders of the A.C.L.U. were socialist.

After many years of running for public offices under the banner of the socialist, the socialist finally ran under another party name and got elected.

They elected a democrat by the name of Bill Clinton.

Someone will always say so what! What difference does it make?

It makes a lot of difference. The A.C.L.U. is founded on socialism and socialism is anti-Christ.

In the following few pages we would like to present what the A.C.L.U. stands for, and compare that with what God has to say.

It will be necessary to be brief, yet informative, without being boring.

Space permitting, we will give a brief history of the actions and beliefs of this un-American organization.

KARL MARX: COMMUNIST MANIFESTO

The following are just three of the points promoted by the Communist Manifesto.

1. Abolition of private property in land and application of all rents of lands to public purposes;
2. A heavy progressive or graduated income tax;
3. The abolition of all rights of inheritance;

Communism does not believe in the private ownership of property. They believe the government should own all property, and control of transportation.

That is communism and socialism, and the A.C.L.U. is founded on socialism.

SCRIPTURE: Proverbs 3:9,10 Honor the LORD with thy substance, and with the firstfruits of all thine increase;

So shall thy barns be filled with plenty, and thy presses shall burst out with new wine.

SCRIPTURE: Psalm 112:1-3 Praise ye the LORD. Blessed is the man who feareth the LORD, who delighteth greatly in his commandments.

However, through the continued efforts of the A.C.L.U. and the leadership of Barry Lynn, the A.C.L.U. is gaining momentum.

Mr. Lynn has been instrumental in court decisions that have removed the Ten Commandments from school house walls and other places.

Remember what God said in Psalm 112:1, "...Blessed is the man who feareth the LORD, who delighteth greatly in his commandments."

Barry Lynn does not delight in God's commandments.

Personally this writer believes Barry Lynn is a minister, and we have a quote from the Bible to prove it.

SCRIPTURE: 1 Corinthians 11:13-15 For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

And no marvel; for Satan himself is transformed into an angel of light.

Therefore, it is no great thing if his ministers also be transformed as the ministers of righteousness, whose end shall be according to their works.

Mr. Lynn, in this writer's opinion, is a minister of, and a puppet of Satan.

The A.C.L.U. under the guise of defending your rights of free speech, and separation of church and state, are in the process of eliminating your rights to worship Christ freely.

If they really believed in separation of church, why do they use the state (Supreme Court) to ban all reference to the God of the Bible from society?

In a letter sent to the New York Area Public School Superintendents, dated April 13, 1994, Merrill Witherall, Executive Director of the New York chapter, warned them to remove any religious content from your graduation ceremony.

Because of the A.C.L.U. the U.S. Supreme Court has ruled school prayer is unconstitutional.

They have also banned the Ten Commandments from every public place, where it is visible, and ruled they are a violation of the Constitution. (ref. November 1992 Readers Digest)

One of the most recent spokesman and staunch advocates of the A.C.L.U. is man by the name of Barry Lynn.

Mr. Lynn claims to be a minister in a large denomination, and claims to be a defender of my rights as an American citizen.

The LORD believes in free enterprise. The American way is free enterprise. Communism is socialism and socialism is not free enterprise.

The A.C.L.U. was founded with the distinct aim of slowly eroding at the foundation of everything the United States of America stands for.

Their aim is to eliminate God and Christ from our vocabulary, from our society, and from our family.

SCRIPTURE: Psalm 2:1-3 *Why do the heathen rage, and the peoples imagine a vain thing?*

The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying,

Let us break their bands asunder, and cast away their cords from us.

The A.C.L.U., along with many others, have taken counsel together against the LORD.

We also see that they would like to break the bands and cast away their (God the Father, God the Son, and God the Holy Spirit) cords from us.

In other words, they would like to break all ties with God.

We do not need the A.C.L.U. to protect and defend us. We need someone to defend us from the A.C.L.U.

In the January 1991 issue of the Journal of the American Family Association was the following list of the things the A.C.L.U. would like to abolish and the things they would like to make legal.

They would like to legalize..

1. Child pornography
2. Legalization of drugs
3. Tax exemption for satanists
4. Legalization of prostitution.
5. Abortion on demand.
6. Mandatory sex education.
7. Forced busing.
8. Ideological testing for court appointees and legalizing polygamy.

The A.C.L.U. opposes..

1. Voluntary school prayer.
2. Sobriety checkpoints.
3. Tax exemption for churches
4. Educational vouchers and home schooling
5. Parental consent laws.
6. Medical safety regulations and reporting
7. Governmental ethics committees
8. Prison terms for criminal offenses.
9. Teaching of proper sexual relationship within the marriage; in public schools.

It should be easy to see that the goal of the A.C.L.U. is to break the cords of God by tearing down the moral structure of the United States.

Without a moral foundation there are no rules, no guidelines, and division. Division within the family, within society, within government, and so on.

A society is judged by it's morals. We must have guidelines to follow.

A politician must have guidelines with which to govern. A teacher must have guidelines to follow, else how will they teach.

A parent must have guidelines for their children to follow. If not the child will follow their own guidelines.

When left to his own social guidelines, the child may not follow the path of a moral society.

The A.C.L.U. has struck a blow to our moral fiber, yet they have not won the battle.

The reason is, Jesus Christ is still God, and he is still the King of Kings. The Lord Jesus Christ is still in charge, and always will be.

The A.C.L.U. would like to legalize everything God is against, and they oppose everything God stands for.

EXAMPLES

Since it's beginning in the 1920's the A.C.L.U. has been very busy.

Their claim is that they are defending the Constitution of the United States of America from those who abuse it.

Two of the areas they claim to defend are: Freedom of speech, and freedom of religion, (separation of church and state).
